

Is one of your woodlot boundary lines in need of some blazing and paint ?

Now is your opportunity to have this work completed at an affordable price.

This winter, **SNB** is providing landowners with financial assistance to have their lines retraced, blazed and painted.

Good lines make for good neighbors

Retracing of lines will be performed at a rate of \$21 per hour and blazing and painting will be done at a cost of \$250/ kilometer.

Forest management credits can also be used to cover the above costs. So it's possible, it may not cost you anything out of pocket. For more information, please contact our office at 433-9860 or call toll free at 1-888-762-1555.

Budgets are limited, so call early. First come, first served.
